## Julian Garel-Jones

Prior to co-founding Polunin Capital Partners in 2001, Julian was a Senior Investment Manager in Pictet Asset Management's Emerging Markets team with responsibility for Latin America. He began his investment career in 1990 with Rothschild Asset Management in London, initially as a banking sector analyst, and later as a Latin America Fund Manager. He speaks French and Portuguese fluently as well as being bi-lingual in English and Spanish. Julian has been based in the UK for most of his life but has spent many years living and working in both Spain and Latin America. He received a Diploma in Hispanic Studies from Madrid University and later graduated with an MA Honours (1st Class) in Spanish and Portuguese at Edinburgh University. He has been an Associate Member of the Association of Investment Management and Research (AIMR) and the CFA Institute since 1994.

## Andres Koster

Since 2017, Andreas has been revolutionising the world of finance with his innovative approach to "doing good using currencies." he developed the cutting-edge Emerging Market Sustainable Finance Solution in partnership with UBS Wealth Management and Record PLC. As the author of "Mobilizing Private Wealth for Public Good" presented at the 2017 World Economic Forum in Davos, Andreas has showcased his commitment to impactful finance. He previously served as Chief Investment Officer at Union Investment in Germany and CIO of Global Asset Allocation at UBS Wealth management in Switzerland. With a rich career spanning senior positions in currency and asset allocation at Schrodgers, AXA Investment MAnagers, and Commerzbank, Andreas brings a wealth of experience. He earned his MBA from Brown University and IE Business School, blending education with his forward-thinking financial strategies.

## Sumit Jain

Sumit currently serves as the Deputy CIO at ASK Investment Managers, bringing over 19 years of expertise in the Indian equity markets. He played a key role in developing the Indian Entrepreneur strategy and now manages the Indian Entrepreneur Portfolio, which has an AUM exceeding USD 2.5 billion. In addition to this, Sumit oversees various other investment strategies at ASK and has been a driving force behind the development of the firm's proprietary valuation models. Prior to joining ASK in October 2005, he worked with ICICI Prudential Life Insurance and First Global Securities. He holds a postgraduate degree in management from Mumbai University.
